Snowball Charity Dinner

Thank you

Dear Sally,

Helping to brighten children's lives is at the heart of what we do at Leeds Children's Charity at Lineham Farm, and we'd like to thank you for your wonderful collection of fantastic gifts to support our Christmas gift appeal this year! It is heart-warming to know that so many children who are most in need will have something special to open on Christmas Day, thanks to **YOU**.

All gifts donated will be distributed across our partners (social services/schools and other community groups) to ensure as many children as possible and families in need this Christmas can receive some gifts and a little bit of extra help this year. Our partnered schools are those who serve the communities in Leeds that are in the highest indices of multiple deprivation. As well as working alongside schools we work with fabulous community and other charitable groups who work in the heart of some of the most deprived areas in Leeds, who deal with families on a day-to-day basis. Lastly, we will help distribute many gifts across the social services network to those families who are perhaps under child protection, foster, disadvantaged and underrepresented communities and caring services.

As well as running our gift appeal, we are so pleased to be able to support many children and their families at the centre this festive period for some special experiences and Christmas joy. Activities will include a Santa's Grotto, games, crafts, entertainment, Christmas dinner plus lots of FUN and magical memories to be made.

From all of us here at **Leeds Children's Charity at Lineham Farm**, thank you for being a part of our community. It really does mean the world to us and the children and families who we help.

With our very best wishes,

Jenny Jones
